Request for Reimbursement: Scituate and the Civil War Project

I was contacted by Elizabeth Foster to assist in the writing of a history of the

involvement of Scituate residents in The Civil War.

As chief editor, my responsibilities included reading, editing, and/or rewriting the

text created by Lynn Sheridan, researcher and author of the text.

The project spanned a year of collaboration between Ms. Sheridan and me. I spent

approximately 15-20 hours while reviewing the text. I noted areas that needed

revision, lacked clarity, or could be improved by reorganization.

As I completed each section, I scheduled a conference with Ms. Sheridan to discuss

my suggested revisions. These conferences lasted approximately 1 -1 ½ hours each

as we considered different options. Sometimes I offered a rewritten version of a

section as an alternative; at other times Ms. Sheridan took my suggestions home

with her to incorporate into her text. We would discuss the finalized versions at the

next conference. I think 6 or 7 of these conferences took place. We also conferenced

and exchanged texts via email.

I also worked with Elizabeth Foster to standardize the format of citations, date

references, etc.

Reimbursement: \$400
